To A.S.

Please see the minutes of H.M (Prohibition) on p. 2 c.f., the D.O. on p. 7 c.f. and the copy of the Board's proceedings on pp.9-10 c.f. The Bd. of Rev. has asked the two Deputy Commissioners to take immediate steps to absorb the discharged Sub Inspectors as Prohibition Sub Inspectors. The Bd. has also informed them that the cases of Sub Inspectors recruited temporarily from the category of clerks can be considered for reappointment only after all the discharged Sub Inspectors are provided for - vide para 5 of the Board's proceedings on p. 9 infra. In the circumstances, it is for orders whether any instructions need be issued to the Board with reference to the minutes of H.M. (Prohibition) on p. 2 c.f. The file may be circulated to H.M.(Prohn.) for perusal of the Board's proceedings on p.9-10 c.f.

In its instructions (copy of pp.11-12 c.f.), the Board has given effect to the H.M.'s orders at p. 2 c.f. The Board has further added in its instructions that these discharged men (24 in number), who will be absorbed, should pass the tests in which they failed, within two chances, viz in the examinations proposed to be held in September 1950 and in March 1951. If, however, they failed to get a pass in the subjects in which they previously failed, they would summarily discharged as soon as the results of the examinations held in March 1951 where known. The orders of H.M. on p. 2 c.f. does not include this condition. However, it seems to be a reasonable one. For orders whether this condition may be allowed to stand.
